

OUR DOCTORS

Dr Damian Amato

Neurosurgeon

Dr Damian Amato trained in neurosurgery in Australia. His training also included research into traumatic brain injury at the University of Adelaide for which he earned a Master of Surgery degree. He then undertook further subspecialty training in the United Kingdom. This consisted of fellowships in skull base neurosurgery and minimally invasive spine surgery at Addenbrookes Hospital, Cambridge. He is a consultant neurosurgeon at Princess Alexandra Hospital and consults at Westside Private Hospital.

Dr Amato's special interest areas:

- **Cranial neurosurgery including skull base surgery for tumours such as acoustic neuromas and meningiomas**
- **Pituitary surgery and other endoscopic anterior skull base surgery**
- **Trigeminal neuralgia**
- **Minimally invasive spine surgery**
