

## Dr Timothy Smith

**FRACS (Urol), MBBS, BApSc (Med Sci)**

*Consultant Urologist*

Tim is a valued member of Brisbane Urology clinic group and practices as a Consultant Urologist at Westside Private Hospital.

He has a special interest in:

- **Uro-oncology (prostate, bladder and kidney cancer)**
- **Benign prostate diseases**
- **Kidney stones**
- **Minimally invasive urology (robotic, laparoscopic and endoscopic surgery)**

Tim went to medical school at the University of Queensland. He completed surgical training in January 2017, after training throughout Queensland. He subsequently completed a sub-speciality fellowship in robotic surgery at the Royal Berkshire Hospital in Reading, England.

Tim is a member of the Executive Committee of the Queensland Clinical Senate, which provides strategic advice and leadership on the quality, affordability and efficient delivery of patient care in Queensland. Tim also has a keen interest in teaching. He is the supervisor of resident training in the Department of Urology at QEII Jubilee Hospital, is a Senior Lecturer with the University of Queensland, and is a member of the Academy of Surgical Educators.

Tim is committed to collaborative, patient-focused care and providing patients with international standard and leading-edge urology treatments.

At Westside Private Hospital Tim has onsite consulting facilities and regular procedural lists. For appointment details please refer below.
