

OUR DOCTORS**Dr Karyn Lun**

MBBS (QLD), FACD, MACMS
Dermatologist &
Mohs Micrographic Surgeon

Dr Karyn Lun graduated from the University of Queensland with a Bachelor of Medicine and a Bachelor of Surgery. After working as a general practitioner for five years, she trained as a specialist dermatologist with the Australasian College of Dermatologists (ACD), completing her Fellowship in 2003. During this time, she had the opportunity to train for a year at the prestigious St Johns Institute of Dermatology, St Thomas' Hospital in London.

In 2004, Dr Lun undertook a further year of training in Sydney, completing a subspecialty fellowship in laser and Mohs micrographic surgery. She is an approved ACD Mohs surgery specialist, one of the 12 in Queensland and one of the 9 female ACD Mohs specialists in Australia. She is also a Fellow of the American College of Mohs Surgery.

Dr Lun is a Senior Visiting Medical Officer at Princess Alexandra Hospital and Greenslopes Private Hospital, and works on-base for the Australian Defence Force. She has a strong commitment to her patients and teaching junior doctors at the Queensland Institute of Dermatology.

Dr Lun's special interests:

- Skin Cancer
- Mohs Micrographic Surgery
- Reconstruction and General Dermatology
- Disorders of the Skin, Hair and Nails
